

CUPE 374 Membership Notice

Upcoming Bargaining Survey

Dear Members,

We will be going into bargaining again as of January 2021. Surveys will be coming out next Friday, October 23rd. They will be available for 10 days. Please visit www.cupe374.ca to subscribe and receive the survey by email.

There will be paper survey copies available as well, but I encourage everyone to sign up for electronic communication. As bargaining commences, without the ability to have unit meetings in person, email updates or zoom meetings will be the only options. Personal email addresses will be required to be able to participate in either.

Please contact your Unit VP or call 250 472 0374 if you have any questions.

In Solidarity,

Shireen Clark
President, CUPE Local 374
