RE: Upcoming Union Dues Survey

April 8, 2021

Dear Members,

We will be conducting a survey via Survey Monkey regarding Union Dues. Last year before the pandemic, a dues increase was on the General Meeting Agenda. This discussion now needs to be addressed. A survey with options will be sent out for membership input before any vote is scheduled.

Only members that have subscribed to receive union updates and bulletins will receive the survey link. If you have not already subscribed, please do so now [subscribe here](#). If you have any questions, please address them to your unit VP.

Thank you.

In Solidarity,

Shireen Clark
