Dear Members,

We are conducting a survey and informing members about the Local structure and costs with relation to Union Dues.

Did you know that your Union Dues are a tax deduction? On the average income, without any extra contributions or deductions, it can be the difference from paying taxes or getting a refund.

Example: Member with no extra deductions, a basic T4 with 1.75% dues rate.

Total Wages:	\$ 58,294	\$ 58,294
Union Dues:	\$ 1,015	\$ 0
Balance due/(refund):	(\$154)	\$ 132
