EXECUTIVE BOARD REPORT JUNE 10, 2026

Executive Board

2026 has been an interesting year so far, to say the least. We've entered into a "Relationship Enhancement" program with one employer and into Labour Board Adjudication with another. Entering my 11th year in this role, I am still encountering new issues and learning while I work which keeps me on my toes!

Bargaining

The local completed the 5 muni contracts within the GVLRA in early March. All retro payments have now been processed. We are waiting on Blue Cross to finalize the benefit changes which will be backdated to April 1st for most but May 1st for Esquimalt. Esquimalt's is delayed because they left the GVLRA and the ratification dates weren't until April.

We have hit impasse with Colwood and after an unsuccessful mediation, we are headed into Strike Action.

We will begin preparing for bargaining in Sooke soon.

Grievances

We currently have 5 active grievances. We have closed 1 grievance, had 1 new grievance and 1 potential on the horizon since our last meeting.

Abilities Community Services: **2 policy grievances** filed December 2023. **1 policy grievance** filed May 2025 (same issue). **1 individual grievance** filed July 2025 (closed) **1 new policy grievance** filed February 2026.

We now have an arbitration date set for January 2027 to hear the policy grievances.

Colwood: **1 individual grievance** filed April 2026.

CUPE BC Convention

BC Convention took place in Victoria from April 29th – May 2nd. We had 9 delegates, 6 of which were new. It was a lively week and impressive that 6 of our 9 delegates got up to the mic to speak on resolutions! Well done!

Canada Labour Congress (CLC) Convention

The CLC Convention took place in Winnipeg from May 11th – 15th. We had 2 delegates attend. There was a lot of political action going on this week both on the floor and outside of convention hall. We learned a lot about parliamentary procedures this week!

EXECUTIVE BOARD REPORT FEBRUARY 25, 2026

Executive Board

It has been a busy start to 2026 so far. Lots of new faces on our board and a few new positions. We have added some 2nd VPs in larger units as well as in units with new VPs to have more people trained and available in each unit to represent our members. We have a total of 4 2nd VPs right now. Also starting this year, our treasurer will be in the office 2 days a week as a trial for 2026 with her employer.

Bargaining

The local completed 2 contracts at the end of 2025. We have 6 of our muni contracts in active bargaining still. Contracts all expired at the end of 2024. We have dates at the table for all 6 next week and we are hopeful to come to an agreement. Sooke's expires this year. Our large community services group is provincially bargained and still active at the moment as well.

Grievances

We currently have 5 active grievances. We have closed or resolved 4 grievances and had 2 new grievances since our last meeting.

Abilities Community Services: 2 policy grievances filed December 2023. **1 policy grievance** filed May 2025 (same issue). **1 individual grievance** filed July 2025. **1 new policy grievance** filed February 2026.

The employer continues to have intermittent communication with the union. Will resolve part of an issue and commit to next steps and then disappear. All issues are being escalated and other agencies are also involved in dealing with the outstanding issues.

BC Healthy Communities: 1 policy grievance filed March 2024 was resolved and closed in December 2025.

CUPE BC Convention

BC Convention happens every year in the spring. It will take place this year in Victoria in late April. With it happening in town, it reduces the costs and allows us to take a full delegation to attend.

Canada Labour Congress (CLC) Convention

The CLC Convention happens every 3 years in mid spring. This year it will take place in Winnipeg. It is a convention that gathers all the unions across Canada and discusses

issues country wide both political and related to the labour movement. We will be sending 2 delegates this year. The President and 1 GVP.

Education

We are working on getting some courses in-person in Victoria for shop steward training both beginner and advanced.
